Frequent Visits to Andhra Website by the U.S. Military

23. SHRI K.R. MALKANI: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether it is a fact that U.S. military is a frequent visitor to AndhraWebsite as reported in the Hindustan Times dated the 1st November, 1998; and

(b) the steps Government have taken to ensure that the same is not used to the country's disadvantage?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI KABINDRA PURKAYASTHA): (a) As per our information, the Government of Andhra Pradesh is hosting a website in the United States with the following http address; www Andhrapradesh, com. The site is maintained by M/s. Rapidsite Inc. The contents of the website is freely accessible to all the users of Internet.

(b) As the website of the Govt, of Andhra Pradesh is hosted in the United States and not on Indian Internet backbone, it is technically not possible for VSNL/DOT to monitor the website and the extent of access to the website.

Post and Telegraph facilities in Rural Areas

24. SHRI CHIMANBHAI HARIBHAI SHUKLA: Will the Minister of COMMUNICATIONS be pleased to state:

(a) the per capita availability of post and telegraph facilities in the rural sector at present and how does it compare with urban sector;

(b) whether it is equivalent to that of the national average, if not, the reasons therefor;

(c) whether Government propose to increase the set up of post and telegraph offices in rural sector for the current year; and

(d) if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI KABINDRA PURKAYASTHA):

Department of Post

(a) A population of one lakh is served, on an average, by 21.85 post offices in rural areas and 7.5 post offices in urban areas. In other words, a post office in rural area on an average serves a population of 4576. This compares well with the average population served by a post office in urban areas, which is 13233.

Telegraph Services

Regarding Telegraph, the information is as below:

Rural

Total Rural population of country estimated on 1.4.98=71.75 crores.

Total number of telegraph offices working in rural areas=40529

Per capita availability of telegraph offices in rural area=0.0000564.

No. of persons per telegraph office=17,703

Urban

Total urban population of country estimated on 1.4.98=28.85 crores.

Total number of telegraph offices working in urban areas=7,428.

Per capita availability of telegraph offices in urban areas=0.0000257.

No. of persons per telegraph office=38,839.

Department of Post

(b) The availability of postal facilities, in the form of post offices, per one lakh population, in rural areas is better than the national average which is 18.17. On an average the population served per post office in the country as a whole is 5502.

Telegraph Services

It is higher than the national average.

Department of Post

(c) and (d) Yes, Sir. There is a target for opening 598 the set Extra Departmental Branch Post Offices in the rural areas of the country during the current year, subject to availability of resources.

Telegraph Services

Telegraph offices are opened on the basis of demand and justification by traffic. Wherever the public telephones facility is provided in post offices in rural areas, the telegraph facility is also provided. No specific targets have been fixed.

New Telecom Policy

25. SHRI C. RAMACHANDRAIAH: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether Government have finalised new telecom policy;

(b) if so, the details thereof; and

(c) by when the new telecom policy will be implemented?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI KABINDRA PURKAYASTHA): (a) The
